KEVIN MONROE

Re: Redevelopment Plan.

I Kevin Monroe as owner of

Lands in the townlands of Sylawn

Headford Rd. Galway Folio No. 26004F

Am submitting a proposal for
the re-instating of previous
planning permission granted on this
site planning Ref. No. 99/2217 AND

OR similar development to be
granted in this Area of light-

commercial & Industrial businesses

to operate. I also propose the speed
limit to be reduced to 50kph in

this Area as part of the County Redevelopment Plan.

With regards to future development of this site I wish to have a pre-planning meeting with the Director of Services as soon as possible as the only thing I seem to be doing over the years is clearing up after people from illegal dumping & vandalism of my property. If Eileen Ruane could arrange this I would appreciate it very much.
