If no please go to Question No.7

Yes

No

7. Please enter your submission in no more than 4000 plain text characters. *

My submission is I need grants and financial support to purchase plant and refrigeration to further develop my existing meat plant EU No. 2479 so that I can expand and create further jobs and employment in that plant. And to carry out research for feasibility studies in relation to the sustainability of the project. I want to expand supplying local product to the restaurant and hotel trade. And give them options to buy locally produced beef and lamb.
