Important User Note:

The flood information presented in these Maps (Map 3A /3B) have been compiled based on OPW Preliminary Flood Risk Assessment (PFRA), research carried out on behalf of Galway County Council (Strategic Flood Risk Assessment for County Galway) and tested against knowledge of flood events in the area. They indicate broadly areas that may be prone to flooding, and form part of the flood risk assessment and considerations for the Plan.

The flood extents on the OPW PFRA Maps are based on broad-scale simple analysis and may not be accurate for a specific location/use. Information on the purpose, development and limitations of the OPW PFRA Maps are available in the relevant report see www.cfram.ie. Users should seek professional advice if they intend to rely on the OPW PFRA Maps in any way.
